OUR COMPANY HISTORY

Crestwood College was established in 2014 as an answer to the shortage in Skills Development practitioners in the private and public sectors.

Crestwood College is proud to be part of the Crestwood Group of schools, sharing mutual values and working together to exceed the expectations of our clients and the communities we serve.

We are a diverse and dynamic team of passionate training specialists who believe that self-betterment and additive education are transformative elements that can help people realise their full potential.

We are in the constant pursuit of excellence and proud of our authentic BBEEE roots. We endeavour to work with companies who share our vision.

Crestwood College has developed different training platforms to cover all the needs of our clients and improve the overall training experience of our clients.

Our Offering

- Skills Development Trainings, accredited and non accredited.
- Short Courses
- Group and individual coaching
- Short Skills programmes
- Learnership recruitment and placing
- Training(Skills) Needs Analysis (Face to face as well as remote assessments)

AT OUR CORE

- **Our mission as Crestwood College (Pty) Ltd** is to alleviate poverty, create job opportunities for youth, women and people with disabilities across Africa. The vision is aimed to provide job opportunities through skills development in Skills Programmes and Learnerships. **We** aim to bridge the immediate skills shortage while building an integrated skills supply pipeline for targeted priority skills.
- This will be in support of the National Skills Development Support 3 (NSDS III) which seeks to encourage and actively support the integration of workplace training with theoretical learning and to facilitate the learners from the educational process to sustained employment and in-work progression.
- **As Crestwood College(Pty) Ltd Our aim** is to provide essential, effective and efficient skills and training programmes in a professional manner providing accredited skills development and training in line with South African Qualifications Authority (SAQA) and Quality Council for Trade and Occupation (QCTO) focusing on rural communities, youth, women, and people with disabilities.
- **As Crestwood College (Pty) Ltd Our team has** has over 35 years' joined experience in Project Management, Skills Development and Training. **We have experience** in research, project management and has a successful track record in educational environments, finance, data collection & analysis, and presentation techniques, community facilitation, both rural and urban communities, report drafting, Business plan development and sufficient background in training development.

ACCREDITATION

As a SETA accredited company, we have trained thousands of individuals from over 100 companies, and our extensive course offering consists of [accredited Short Courses](#), Soft Skills Training and Recognition of Prior Learning (RPL) Learnership Programs and Learnerships.

In addition, we offer bespoke training programs catered to your specific business needs. Our training courses are focused on knowledge and skills transfer, and we pride ourselves in being able to provide you with training anytime, anywhere across South Africa at a reasonable price.

AT OUR CORE

- **We pride ourselves in providing quality training interventions in any set up, from boardrooms all the way down to grassroots. From Inception we have catered for a wide range of clients ranging from big cooperates to NGOs and through it all our values remain the same.**
- **To Offer :**
- **Quality Training Interventions in a transparent and professional manner.**
- **To Put the delegate and their needs before anything.**
- **As well as to cultivate a culture of learning and edification in different areas of expertise.**
